

Coaches Corner — Week 1 Summary

The Magellan Identity: Development > Results

Identity Drives Everything

Culture → Behavior → Performance → Results. Identity is the foundation, results are the outcome.

Development Over Results

Winning without improvement is not success. Prioritize long-term growth and tolerate mistakes.

Avoid the Early Winning Trap

Over-structuring early can limit creativity and long-term development.

Magellan Coaching Standard

Develop technical quality, decision-making, mental resilience, and team character.

Age-Specific Development

6–8: Love the game | 9–12: Build habits | 13–15: Build IQ | 16–18: Refine execution.

Mistakes = Information

Correct behavior, not the player. Use mistakes as teaching moments.

Technical Work is Non-Negotiable

Repetition builds confidence, confidence builds freedom.

One Club, One Identity

Community, hard work, unity, Red & Black pride.

Coaching Filter

Is it age appropriate? Building skill? Confidence? Character?

Weekly Reflection

What am I emphasizing? Is it appropriate? Am I developing or chasing results?
